BLACK: GENERAL WASTE

WHITE: PAPER

RULES OF GOOD COHABITATION

RESTROOMS

These spaces are available to everyone: keeping them clean and welcoming is a shared responsibility. We invite you to respect a few simple rules to ensure everyone's well-being.

FOR RESPONSIBLE AND RESPECTFUL USE, WE ASK YOU TO

 **Leave everything clean after use** – Sinks, showers, and toilets should be left in a neat and tidy condition for the next person.

 **Use only biodegradable paper and tissues** – Unsuitable materials can clog the drains.

 **Avoid wasting hot and cold water** – Always turn off the taps and use water wisely.

 **Accompany young children and those who need assistance** – Safety comes first.

 **Dispose of waste in the designated bins** – pad, sanitary napkin, tampon, Sanitary products, wipes, cotton swabs, and other materials must not be thrown into the toilets.

 **Limit your time in the shower** – Water is a precious resource in the campsite.

 **Respect silence and others' privacy** – Avoid loud noises, especially in the evening and early morning hours.

 **Do not wash dishes or clothes in the bathroom sinks** – Use the designated areas

 **Leave doors and windows open after use, if indicated** – To promote air circulation and hygiene.

 **YOUR CONTRIBUTION MAKES A DIFFERENCE!**

Thank you for your cooperation!

DISCOVER MONATE'S LAKE

Lake Monate, being a private basin of limited size, does not have a cycle-pedestrian path allowing a complete visit. To fully immerse yourself in its evocative atmosphere, hiring a canoe is the ideal choice: an immersive experience that allows you to explore hidden corners and enjoy a unique perspective on the lake. Our SUPs and sit-on-top canoes are designed for stability and safety.

Rental is reserved for adults only, while minors must be accompanied by an adult.

The service can also be used by outside guests who are not staying at the campsite.

For a carefree experience, remember to bring with you
A valid identity document

A watertight bag to protect your personal belongings

We will provide you with life jackets and paddles, ensuring your comfort and safety.

Knowing how to swim is essential.

CAMPER SERVICE

INSTRUCTIONS

We recommend that you first check the manoeuvring space available for your motorhome.

The Motorhome Service area is divided as follows:

Left-hand side

- Drinking water supply

Right-hand side

- Toilet and waste water disposal
- Flush tap

Please note: **do not dispose of paper or disposable wipes.**

Platform

Area dedicated to waste water disposal.

To use the service, position the motorhome over the device: the photocell will automatically activate the system.

Although there are no specific regulations governing the use of the Camper Service, **we ask all guests to follow a few simple common-sense rules:**

- Do not use the drinking water tap to flush the toilet.
- Do not block the waste water drain with toilet paper or disposable wipes.
- Do not use wipes or unsuitable materials in the chemical toilet if you intend to discharge waste at our Camper Service.
- If the drain is blocked, do not attempt to empty the tank and report the problem to Reception immediately.
- It is forbidden to wash your vehicle using water from the Camper Service.
- Do not occupy the area for longer than is necessary for normal loading and unloading operations.
